

Activité tracé de fonctions :

En utilisant si besoin les tableaux de valeurs (feuille de brouillon **OBLIGATOIRE**), tracez précisément les fonctions ci-dessous :

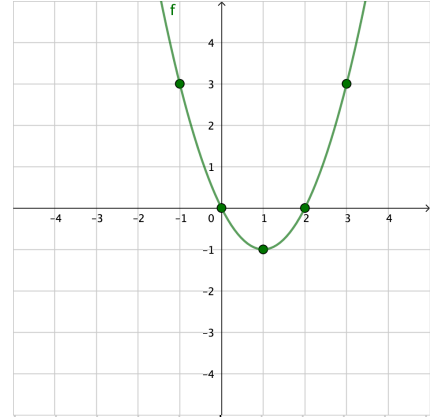

❖ $f(x) = 3x - 2$

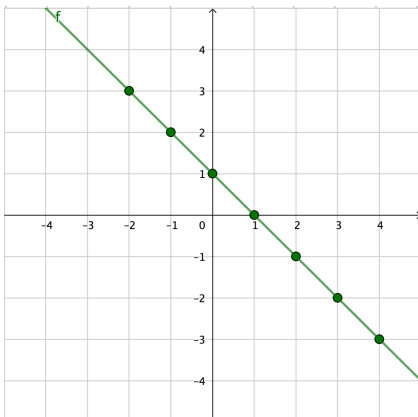

❖ $f(x) = x^2$

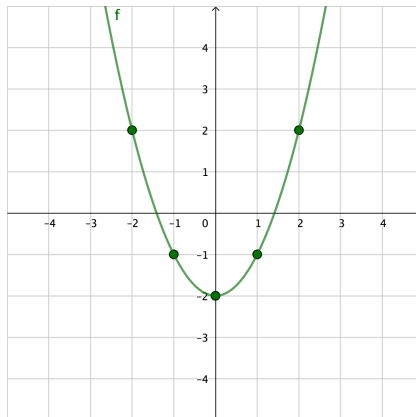

❖ $f(x) = x^2 - 2x$

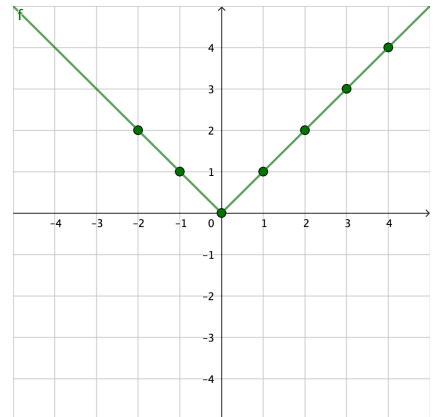

❖ $f(x) = -x + 1$

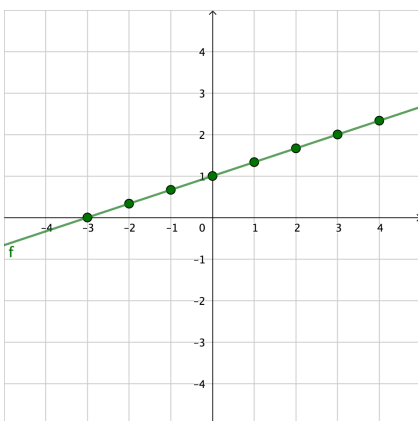

❖ $f(x) = x^2 - 2$

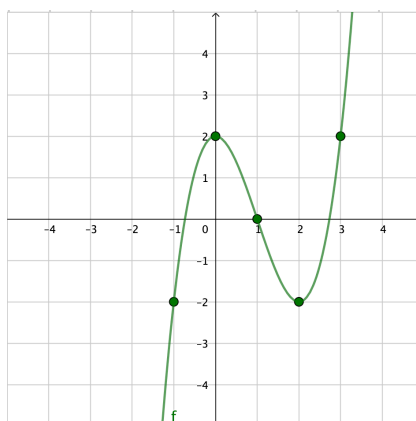

❖ $f(x) = \sqrt{x^2}$

❖ $f(x) = \frac{1}{3}x + 1$

❖ $f(x) = x^3 - 3x^2 + 2$

❖ $f(x) = \frac{1}{x+1}$
